Happy Twintail no Hi 2-2-2017!!

No, it's not a random post. Yuzuhara Mizuka-sensei realy did post this drawing exactly one year ago to celebrate last year Twintail no Hi in her Twitter. So, why not?

And for you to know, Yuyu isn't hated in Japan. Heck, most of Nanairo Kakumei readers in there love her, seriously. Just search "ないろ革命" (Nanairo Kakumei) on Twitter and Pixiv, and you'll see that's true.

For you who somehow like Yuyu too, understand her, can see that she wasn't lying, believe in her no matter what, congratulations, you're the right one. Starting this chapter, there will be a long marathon of awesome chapters for you. They are your rewards, enjoy.

Anyway, Yuyu, this **REVOLUTION** is yours.

Hima-chan took Nana-chan away from Yuyu
Nana-chan
doesn't feel like returning to Yuyu anymore

Yuyu thought if only you two were having fight, Nana-chan would return to Yuyu
That's why,
Something like that...
...Juu~st kidding ♡

But,
Yuyu will make up with Nana-chan by herself
Don't get in the way, okay
If you're doing it this way,
Nana-chan is only going to be hurt...!
...Nana-chan's best friend
is Yuyu

Don't say it like you under-stand
Shioka-kun!
Ah
I'm sorry for leaving the print-out to you yesterday
It's fine, though
You've made up with Konno, right?
Eh
How do you...
コン

It's coming out from your foce
I-
Is that so
hehe
Uwawa, what is this
Somehow, my chest feels itchy
Ah,
but
I still don't hove ony conclusion obout Yuyu yet...

"If Nana-chan doesn't face Yuyu-chan properly, nothing is going to change."
.. But
ドキン…
Kuri-yama,
Eh, you're still fighting?
Why don't you just leave her alone already?

作文テーマ
『身近な大切な人』
"Essay's theme "Precious person that near to me"
at the end, how do you think about Kojima?
Hai
Today, Sensei has you to write an essay with this as the theme
Eeeeh~
It can be your family or your friend,
please write about your memories and your feelings about that person
For me now,

"How do you think about Kojima?"
If I have to write it, it'll be about Himari-chan
...Yuyu,
she must hate me,
and wants to be with me because I'm convinient
I under-stand that, but

I wonder why I can't come to hate her
キーンコーン
For those who didn't finish, it's your homework, okay
I didn't write anything at all..
Oh, Kuriyama!
Just the right time I need you!
You're in class 3, right?
Bring this to your class
Yes..
The next lesson is going to use maps after all

So...
nsho
So heavy...!
Sensei, why two...!?
Yuyu is going to bring one ♡
Eh,
A-
rigato...
Why suddenly ..
Ah
Are you okay?
Nana-chan!

In the next investigative learning, haw abaut if we da it tagether?
Nana-chan!
Eh?
That's why,
it's a chance for...
What are you planning to do this time...!?
What is that
Ano ne, Yuyu,
as Yuyu thought, Yuyu wants to make up with Nana-chan

Yuyu just wants to be together with Nana-chan
What Yuyu plans?
...All this time,
even if you said you wanted to make up, you kept doing those unpleasant things to me
Even so, why
you can say things like those are never happened?
I, can't believe in Yuyu's words anymore....!

As I thought, let's write about Himari-chan
Himari-chan told me to try to face Yuyu, but,
I don't know anymore what Yuyu is thinking
I'm sure, it won't change anything
I have Himari-chan too, after all

Don't look for it!
We are the same!
So embassing~

Yuyu's...
*Kajima Yuyu
Ahaha
"I have a chilhood friend whom I love very much."
"When I was in elementary school,
I had a lot of friends"
What happened?
What is this.

"But most of them,"
"If I'm with Yuyu-chan, I can talk with the boys."
"If we're together with her, we can enter the popular group too, perhaps."
"they were with me because it's convenient."
"Among them there were girls who talked bad behind by bock."
Come to think of it,
it was ever happened once...
"Yuyu-chan, isn't she being a little too overfull with herself?"
"I agree!"
"It's like how she is always taking the best parts!"

"I..."
"Nana-chan also thinks like that too, right?"
"I don't..."
"My real friend."
"That childhood friend is the only one who is my ally"
.....
What is this

That's how Yuyu's thinking about me?
Not because
I was convenient?
This is about me...?
Nana-chan.
Me too, by that time,

My ally was only Yuyu

"Yuyu knaws Nana-chan has a lot of good things in her."

"Nana-chan is so boring, right."

being trusted so much was making me so happy

"Yuyu can't say it to nobody but Nana-chan"

"Let's match!"

In the beginning, everything,

Did Yuyu also feel the same thing...?

"My childhood friend, even if she's swapped away by the flow of her surroundings, at the end, she'll definitely move for the sake of the others."
"She's my best friend whom I'm proud of."
...Why did you write something like this..?
The reason why I can't come to hate Yuyu is because Yuyu of that time didn't disappear from inside of me
You're not making any sense..

Nana-chan!?
Himari-chan, sorry, I'm going for a minute
Where are you
Yuyu!

This...!
はぁっ
If what is written in here is the true...
Why were you doing something like that?

Tell me the truth...!
Something like that..?
Are you accusing her again?

...Gomen-
nasai

Yuyu
Saying things in the arientatian sa everyane wauld hate Nana-chan,
has dane a lat af bad things ta Nana-chan
lying that Yuyu liked Shioka-'kun,
Yuyu-chan, !?
and getting in the way so Nana-chan couldn't make up with Hima-chan
But every-thing
Yuyu...

Nana-chan turns back to Yuyu...!
Yuyu just wanted to make

Yuyu
doesn't want to be hated by Nana-chan
Yuyu, won't do something like that again...!
Eh...

Let's go!
What she said just knaw, is that true?
Yuyu-chan's group were..?
W-
we weren't involved at all, okay!
Yuyu...
...it's okay
Yuyu thought if Yuyu didn't say the truth,
Yuyu wouldn't get Nana-chan's trust, after all

Yuyu loves Nana-chan and want to make up with Nana-chan,
please believe it
たっ
Yuyu-chan,
why until going that far..

whisper
...If Yuyu did this,

Revolution: 17, ends
